

Planning to get the best from your sessions

- . Keep it simple, less is more.
- . Light, white or pastel coloured clothing works best.
- . Remember to co-ordinate the clothes to match for each session.
- . Always bring a change or selection of clothing to vary the sitting.
- . Children feel more at home with familiar or favourite toys, cuddly toys or rattles.
- . Allow plenty of time for each session, usually 30 - 60 minutes per session.

To avoid delay, book your session **now!**

*First
Portraits*

Your Baby's First Portraits.

*Capture your baby's
first year for free.*

If you have had a baby recently, congratulations. A most wonderful time in your lives. Watching the development at every stage, from a tiny bundle in your arms to his or her first steps. Moments to be treasured for life. All the more reason to capture them in beautiful professionally taken portraits.

As a Professional Photography and a specialist in children's portraiture, I would like to offer you the opportunity to capture some of these precious moments by availing of our *First Portraits Club*. All you have to do is book a session (normally €50) at our studio with my compliments, yes **FREE**, at or up to 3 months old, a second session at 6 months old and a final session at 12 months old. (All absolutely free). Allowing you to capture those precious moments during the first year of your baby's growth and development.

There are no catches or hidden costs, this is a genuine offer, with no compulsion to purchase only a once off membership registration fee of €39.

On completion of the programme you will be presented with a panel of 3 images mounted for framing. Each image will be selected from each of the sessions, (3, 6 and 12 months). This beautiful keepsake has a lifetime value (but normally costs €200). These are unique memories that I would like to help you capture forever. Your child will thank you in years to come for providing such wonderful memories, memories that he or she in turn, will want to show to their children.

An investment for life.

Due to the high demand at various times during the year, it is important to book well in advance to avoid disappointment. So please, call us today to book your first free session or call in for a consultation.
